To The Secretary to the Government of Madras,

Law (General) Department.

Madras.

Sir.

(D) Adverting to para 3 of the Government Order quoted above, I have to state that I agree with Mr. Souter in his report, - an extract of which appears as an annexure to the Government Order, - that the Association of the District Superintendent of Police, though an official, with a ------ competent Engineer is desirable. I think it is the system best suited to this District under the existing circumstances and I therefore propose to continue it. The District --- Superintendent of Police, Mr. Thamban and Mr. Thorpe who -- are already the Inspecting officers will continue to inspect buses separately all the year round. I consider that the allotment of particular buses to a particular officer is not

practicable.

2. The bus-owners will be directed to credit the fees, at the rate of Rs.25/- a bus to any Government Treasury in advance and produce the challan receipt before the Inspecting officer as an authority for the inspection. The Inspecting officer will then inspect the buses thus produced before him and grant the certificates contemplated on condition (4) of the 'G' permit. The certificates will at once be forwarded by the Bus-owners to the District Magistrate Meanwhile the Inspecting officers will be required to furnish the ---- District Magistrate once a month with the description of the buses examined by them and send also the Treasury receipts obtained by them. These statements will be verified with the Treasury figures and the amounts will then be distributed between the Inspecting officers according to the work ------ performed by each, monthly. A short review of the monthly work performed will also be made so as to ensure that the -- inspections of each officer are approximately equal.

3. The total number of motor buses licensed to ply on hire in this District is 92. The average annual fees that can be expected to be realized, at a fixed fee of Rs.25/- for each half-yearly examination would therefore amount to Rs.4600/-.

Your obedient servant,

Dt. Magistrate.

In para 2 (ii) of the above order, Government have --- directed that in Districts in which the South Kanara system is introduced the Inspectors will be paid an honorarium equal in amount to the fees credited, the sums being disbursed on bills passed by the District Magistrate. Subsequently in --- para(4) it is mentioned that the procedure detailed in paragraph 2 will not apply to the Districts in which Inspectors -- have been permitted to receive fees direct from the Bus --- owners.

South Kanara is not one of the districts in which the Inspectors have been permitted to receive fees direct

2. The practice that is prevalent in this District as already stated in the reports to Government,-D. Dis. 4962 dated 28th May 1924 and Ref.5286--C--25 dated 1st August 1925,-- is for the Inspecting Officers to receive the fees direct from the Bus owners. I request to be informed whether the existing system is to continue exactly as it is or ---

whether the fees are to be credited to Government and then disbursed by the District Magistrate as directed in para --- 2(ii) of the G. O. quoted above. I do not, however, see any necessity to deviate from the existing practice.

Your obedient servant,

Dt. Magistrate.
